Take Your Classroom & Program to the Next Level!

Part I: April 21:

Learn simple techniques that help you eliminate most classroom distractions, time 'stealers', and problems. Learn how Discipline at the Door, Keeping Small Problems Small, Walk the Talk, and using hands-on lessons will increase your teaching skills in a way that empowers you to motivate your students to be successful and create a fun, respectful learning atmosphere.

Part II: April 22:

Great activities to take ordinary students up to extraordinary levels! Great tips for students to learn how to master more material in less time! Effective study skills, flipped classrooms, time management tricks, '3-3-1' rule, and motivational techniques that you can share to empower students to become successful in any classroom.
